FOR THE CURE OF

AGUE AND FEVER CHILLS AND FEVER

The proprietor of this celebrated medi-eine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. Southern Express Company more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medi- oct 12 eine, after having taken three or four doses of the Tenie, a single dose of BULL'S VEG-BTBALE PAMILY PILLS will be sufficient.

Joan Bult-Dear Sir : Knowing the efficiency of your Sarsaparilla, and the heal- stock of ing and beneficial qualities it possesses, I send you the following statement of my case: I was wounded about two years ago—was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hies. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than in any thing else. I wish that dezen bottles, and oblige CAPT. C. P. JOHNSON,

P. S .- Mr. Johnson was the son of a skillful surgeon. His mother recommended to ber friends, and for many years used my Sarsaparilla with perfect success. In Scrofpla and Fever-sores Mrs. Johnson states that the cures effected were almost miraculous. Read my Journal for extended information and advice in your case. My Journal contains certificates of eminent persons, ministers and medical men-men who are known here in this community for integrity and veracity.
